

The Friday Note

9 February 2018

School Inspection

In January 2015 our school was inspected by ETI (Education and Training Inspectorate), and deemed to be 'Outstanding'. On 16/17 January we had a Sustaining Improvement Inspection and I am pleased to inform you that we have sustained our 'Outstanding' status – three years on.

We have now received a copy of the report on our recent Inspection. The report can be viewed on the Education and Training Inspectorate website at www.etini.gov.uk and a copy is also being sent home today.

The Inspectorate report, amongst other things, that "There is an exemplary professional learning community within this school which is set in the context of and guided by an innovative professional development strategy."

I am delighted with the findings of the Report and wish to thank pupils, parents, and staff, for their continued commitment and support as this outcome has been achieved as a result of the combined efforts of our whole school community.

School Development Day and Half-Term Holiday

As previously advised please note that ***school will be closed from Monday 12 February until Friday 16 February inclusive*** for all pupils. School will re-open on Monday 19 February.
