Reconstitution of Board of Governors

We are now required to reconstitute our Board of Governors for the period 2018 – 2022.

Our current Parent Representatives' term of office will cease at the end of this academic year and I would like to record my thanks to Mrs Jessica Faulkner and Mrs Joyce Patterson for their faithful attendance at meetings and their invaluable input to the life of our school during their four-year term of office.

We are now required to invite nominations for two new Parent Governors who will hold office for the period commencing September 2018. In this connection if you would like to stand for election for one of these posts or if you would like to nominate another parent (with their consent), please collect a Nomination Form from School Reception. These must be ***returned to the office not later than Friday 11 May 2018.***

A list of nominees will then be sent home to all families so that parents may each vote for one of the nominated candidates. The number of votes received for each nominee will be declared at a subsequent meeting.

[Board of Governors' meetings generally take place in school at 2.00 pm.]

Bank Holiday and School Development Day

Please note that, as previously advised, ***school will be closed for all pupils on Monday 7 May and also on Tuesday 8 May*** which is a School Development Day for staff training.

Public Health Agency Concerns

Please see on the reverse of this sheet, for information, a copy letter received from the Public Health Agency expressing concerns regarding the potential risk of young children choking on grapes and other small fruits and vegetables.
