

The Friday Note

18 January 2019

Primary 1 Admissions

If you have a child due to commence Primary 1 in September please note that the ***closing time and date for punctual applications will be 12.00 midnight on Thursday 31 January 2019.***

Having submitted the online application parents should then provide their child's original birth certificate directly to the first preference school.

Primary 7 Transfer Interviews

Parents of Primary 7 pupils will this week have received an invitation to attend an interview in connection with their child's transfer to secondary education. Please note that with the number of interviews to be conducted I am regrettably unable to offer an alternative time, however if you are unable to attend you should provide me with a written list of schools in order of preference.

Primary 7 Parent and Pupil Information Evening

As previously advised, Primary 7 parents and pupils are invited to attend an Information Evening on ***Wednesday 23 January*** regarding the residential trip to Share Centre. The meeting will commence at ***6.00 pm***.

Primary 7 Parents' Online Safety Evening

Mr McCleery will present an Online Safety Information Evening for parents of Primary 7 pupils in the Assembly Hall on ***Tuesday 12 March***. Please note the date in your diary. With the concern and risk associated with online activity I would highly recommend that Primary 7 parents attend. The feedback from last year's parents was extremely positive.

Friends of the Cancer Centre

Thank you for your generosity towards our Christmas charity 'Friends of the Cancer Centre'. Donations in lieu of gifts to staff and Carol Service collections raised £1,421.69.
